

CONTENTS OF VOLUME XIV.

A.	PAGE	B.	PAGE
Atropia in Night-Sweats.....	22	Dissection, the Legalizing of.....	20
Amaurosis Cured by Electricity.....	23	Diseases of Children, Temperature.....	67
Anesthetics.....	23	Dysmonorrhea.....	71
Alcoholic Stimulants, Questions in Regard to. By C. W. Earle, M.D.	23	Dropsey from Disease of the Liver and Kidneys. By P. K. Baley, M.D.	100
American Medical Association, a Suggestion for.....	37	Digitals in the Dropsies and Nephritis Diseases of Children.....	126
Amputation, Intermediate.....	45	Dyspepsia, Lactic Acid in.....	143
American Medical Association.....	47	Diarrhea, Infantile, Zinc Oxide in.....	193
Alumni Association Chicago Medical College.....	55	Dyspepsia, Functional, a New Method of Treatment.....	203
Anasarca, Extensive Drainage in.....	55		
Alcohol and Renal Diseases.....	55		
Artificial Respiration, Influence of on the Circulation.....	107		
American Public Health Association, Proceedings of.....	116		
Ankle-joint, Excision of.....	122		
Anesthesia, Local, a New Method of Production.....	203		
Anemia and Chlorosis.....	203		
Albuminous Urine, Abnormal Behavior of Under the Usual Tests.....	200		
		B.	
Bromide of Iron.....	204	Electricity as a Cure for Amaurosis.....	23
Balsam Copaiba in Small-Pox and Scarletina.....	142	Electricity as a Means of Resuscitation.....	23
Breech Presentation, Delivery of the Head in.....	190	Endodysptus Globulus, Therapeutic Application of.....	23
Boils, their Cause and Cure.....	191	Ether and Chloroform.....	24
Bromide of Potassium.....	191	Electric Bath.....	46
Belladonna in Intestinal Invagination and Hernia.....	212	Ecclampsia, Chloroform in.....	47
British Medical Association.....	225, 223	Eczema Genitale. By James N. Hyde, M.D.	73
Brain, a Case of Tumor of. By N. Bridge, M.D.	243	Epilepsy, Brown-Sequard's Formula for.....	82
Brain, Compression of.....	267	Endocarditis and Embolism.....	107
		Eczema of the Extremities, Chronic.....	168
		Exophthalmos. By F. C. Hotz.....	183
		Ether, Death from Inhalation of.....	263
		Ergot in Nervous Diseases.....	261
		Elevations of the United States, Dictionary of.....	294
		Elastic Bandage, Esmach's Improvement on.....	298
		F.	
Clavicle, Anterior Dislocation of Sternal End of.....	1	Femur, Dislocation of.....	1
Cundurango, Experiments with. By E. Andrews, M.D.	13	Fever, Cases of, with Destructive Parotitis. By J. F. Kelsey, M.D.	26
Chloral Hydrate in Pertussis. By J. F. Stair, M.D.	41	Foreign Body in the Ear, a Case of. By D. J. McMillan, M.D.	50
Central Illinois Medical Society, Proceedings of.....	44	Fibroid Tumors of the Uterus.....	54
Cancer of the Liver, Two Cases. By M. Reece, M.D.	49	Franco-German War, Surgical Operations in.....	62
Cardiac Diseases, etc. By N. S. Davis, M.D.	52	Fetuses, Determination of the Life or Death of.....	71
Cabbage Leaves, Action on Ulcers and Skin Diseases.....	56	Febrile Diseases of Children, Use of Quinine in.....	94
Chancres, Phagadenic, Treatment by Irrigation.....	59	Fistula in Ano Radical Cure of.....	222
Colds, Stop Them.....	71		
Cesarean Section.....	71		
Chicago Society of Physicians and Surgeons.....	279, 214, 201, 187, 156, 76	G.	
Constipation in Children.....	80	Gastrotomy.....	66
Cerebro-Spinal Meningitis. By J. B. Weed, M.D.	107	Gelsemium in Gynecology.....	126
Cerebro-Spinal Meningitis. By G. D. Mitchell, M.D.	109	Gastralgia, Pill for.....	143
Carbasotate of Ammonia in Malarial Diseases.....	114		
Cow-Pox, Report on. By J. E. Thayer, M.D.	123		
Cerebro-Spinal Meningitis, Chronic. By N. S. Davis, M.D.	133	H.	
Consumption, Distribution of.....	143	Heart, First Sound of, Clinical Evidence of the Valvular Origin of the.....	11
Cholera. By J. S. Jewell, M.D.	157	Hemorrhoids, Nitric Acid in.....	59
Consumption, Treatment of, in the Brompton Hospital.....	166	Heart, Functional Diseases of. By N. S. Davis, M.D.	78
Convulsions, Chloroform in.....	167	Hypodermic Injections, the Material for.....	108
Carotid Artery, Ligation of.....	168	Horehound in Coughs of Children.....	126
Children, the Raising of Doubtful.....	168	Hard Water, Is it Wholesome?.....	142
Cerebro-Spinal Meningitis, Cases of. By J. H. Hollister, M.D.	169	History of Medicine. By Lyman Ware, M.D.	151
Cholera, its Prevention and Treatment. Editorial.....	189	Hydrocele, its Causes and Nature.....	166
Cholera, Report on. By T. F. Worrell, M.D.	193	Hernia, Irreducible. By A. C. Olney, M.D.	234
Cholera Disease, A Prophylactic and Remedy in the Preliminary Diarrhea of.....	202	Head, Gun-Shot Wound of.....	238
Calabar Bean.....	203	Hernia, Strangulated, and the Aspirator.....	255
Cholera Asiatica, its Pathology and Treatment. By W. W. Wood, M.D.	205	Hypodermic Syringe, a New Form of.....	265
Cholera, Hypodermic, Use of Belladonna and Atropine in.....	213	Hernia, on the Radical Cure of.....	278
Cancer, its Pathology and Treatment, an Essay. By N. Senn, M.D.	217		
Croup, Membranous, a Case Relieved by Tracheotomy.....	236	I.	
Circumcision, Advantages of.....	240	Infant Mortality. Editorial.....	7
Cervico-Occipital Neuralgia. By A. W. Lueck, M.D.	24	Inhalation in Diphtheria.....	12
Continued Fever, Clinical Cases. By N. S. Davis, M.D.	249	Illinois State Medical Society.....	138, 104, 101
Chloroform, its Administration During Sleep.....	267	Indiana State Medical Society.....	141
Calculus Renal, on the Extraction of, more than a Century Ago.....	277	Iowa State Medical Society.....	141
		Inagination and Hernia, Belladonna in.....	212
		Incontinence of Urine, Nocturnal, Cured by Circumcision.....	222
		Intestines, Strictures of.....	236
		Incisions, Studies and Experiments Regarding their Painless Production. By E. Andrews, M.D.	257
		Intestinal Worms, a Clinic on. By Prof. N. S. Davis, M.D.	291

CONTENTS OF VOLUME XIV.

L.	PAGE.	R.	PAGE.
Lithotomy, Case of. By H. Wardner, M.D.	4	Rubella. By N. S. Davis, M.D.	42
Liver, Cancer of. Two Cases. By M. Recce, M.D.	49	Resuscitation in Newly-Born Children	59
Locomotor Ataxy Caused by Train Movement. By G. C. Lawrence, M.D.	57	Renal Diseases and Alcohol	70
Locomotor Ataxy Treated with Nitrate of Silver.	108	Rheumatism, Cases. By F. K. Bailey, M.D.	85
Lacerated Wounds of Abdomen. Case of. By C. H. Norred, M.D.	114	Rheumatic Bronchitis, Cases of. By N. S. Davis, M.D.	136
Labor, Position in. By J. W. Smith, M.D.	145	Rock River Medical Society	141
Leucorrhœa, Canalic Acid in	168	Rheumatic Carditis, a Case of Suddenly Fatal	175
Lime Vapor in Membranous Croup	181	Rectal Sound, a New Form of. By E. Andrews, M.D.	244
Lithotripsy, the First Operation of America.	192	Report of Surgeon-General U. S. Army for 1873.	293
Labor, Slowing of the Pulse After	212		
M.			
Meningitis, Tubercular, Difficulty in Diagnosis of	21	Scarlatina, Renal Dropsy Following. By N. S. Davis, M.D.	28
Muscular Contraction a Cause of Fracture	60	Smells, Relation of to Disease	22
Medical Literature, Report on	66	Small-Pox, Abortive Treatment of. By W. E. Bessey, M.D.	33
Mucus Diarrhea with Pregnancy. By F. K. Bailey, M.D.	112	Septicæmia	47
Morphia as a Parturient	126	Syphilis, Treatment of in the Marine Hospital	57
Membranous Croup, Lime Vapor in. By John Bartlett, M.D.	181	Sterility from Narrow Os Uteri	58
Mumps, the Nature of	204	Scarlatinal Dropsy, with Suppression of Urine, and Convulsions. By E. S. Cleveland, M.D.	65
Meningitis, Albuminuria as a Symptom of	267	Sewerage Question	72
Nux-vomica and its Alkaloids, Abuse of	298	Stricture, Impassable, New Method of Treating	80
N.			
Night-Sweats, Atropia in	22	Starch, Digestion of in Infancy	107
Northwestern Indiana Medical Society	8	Shoulder Presentation, a Case of. By G. D. Mitchell, M.D.	111
Nitric Acid in Hemorrhoids	59	Spleen, Action of Cold Water on	142
National Medical Register	141	Sulphate of Iron in Suppuration	142
Nephrotomy	143	Spina Bifida	143
Narcosis from Chloroform, Treatment of by Ice in the Rectum	191	Superior Maxillary, Excision of	200, 208
New-Born Children, Resuscitation of	215	Sporadic Cholera, Two Cases. By F. H. Davis, M.D.	185
Nux Vomica and its Alkaloids, Abuse of	298	Sciatica, Report of a Case of. By T. D. Washburn, M.D.	196
O.			
Ovariotomy	58	Skin Diseases. By Hood	199
Ovariotomy, Cases of. By J. F. Everett, M.D.	61	Structures of Urethra and Rectum. By W. C. Lyman, M.D.	224
Ovariotomy, the Vaginal Operation for	284	Subcutaneous Injections	236
Obstetrics and Diseases of Women and Children, Report on Ohio State Medical Society	88	Skull, Communited Fracture of. By Prof. E. Powell	264
Ozocerate, Use of	141	Scarlatinal Pleurisy, Thoracentesis in	268
Ozaema. By F. K. Bailey, M.D.	260	Scientific Congress at Rome, The	293
Otology, Report on. By S. J. Jones, M.D.	294		
P.			
Prurigo and Pruritus	9	Temperature in Diseases of Children	68
Parotitis, Destructive, with Cases of Fever	26	Tuberculosis, Effects of Pregnancy on	93
Parotid Gland, Diseases of in Typhus Fever	33	Thermometry of Yellow Fever	106
Pertussis, Chloral Hydrate in	41	Transplantation of a Rabbit's Cuticle to the Human Eye Successfully Performed	167
Pericarditis, Experimental Researches in	47	Tetanus, Chronic, Treated by Excision of the Cicatrix	212
Prostatic Enlargement, the Best Catheter for Patients with By E. Andrews, M.D.	51	Typhoid Fever, Spread of in London, by Milk Supply	237
Peripheral Placititis. By H. Wardner, M.D.	64	Thoracic Abscess. By J. Schneck, M.D.	245
Psychology in Paris	78	Thoracentesis in Scarlatinal Pleurisy	268
Poisons, Reception of During Sleep	80	Tracheotomy, a Successful Case	236
Placenta Retained Three Weeks Without Putrefaction	99		
Puerperal Fever	103		
Pancreatic Emulsion in the Wasting Diseases of Children	104		
Puerperal Diseases, Septicæmia, etc.	105		
Progressive Muscular Atrophy	114		
Placenta Praevia, a Fatal Case. By A. B. McCandless, M.D.	135		
Psoriasis, Treatment of	167		
Pessaries, the Employment of	167		
Phosphorus, Value of in Nervous Diseases	191		
Pulmonary Phthisis, its Curability	241		
Pericardium, Puncture of, by Subcutaneous Aspiration	239		
Polypos Uteri. By F. K. Bailey, M.D.	259		
Poisons, Organic. By E. W. Gray, M.D.	271		
Pneumonia, Double, Clinical Case. By N. S. Davis, M.D.	275		
Pleurisy, Acute, Clinical Case. By N. S. Davis, M.D.	276		
Puerperal Convulsions, Clinical Lectures on	280		
Poisons, the Doctrine of	285		
Q.			
Quinia, Oxytoxic, Action of	47	Zinc Oxide in the Diarrhea of Infants	192
Quinia in Whooping-Cough	107	Zinc Oxide in the Diarrhea of Infants	294
